

to whom it may concern ,

I live in Indiana and support the "INDIANA VERSION OF THE NO CALL -LIST"  
" i do not want the goverment to impose there own no call list and make it more  
accessable for teleamarketers to interupt my life with my family we would as we  
used to get called early or late waking us up . so PLEASE DO NOT CHANGE THE  
GREAT INDIANA LAW of the great no- call list , thanks again
